Deck The Trees

Swannanoa Valley Christian Ministry

As you walk about the Monte Vista Hotel and the many shops and businesses in Black Mountain, you will find beautiful trees decorated by members of our community. Each tree has a collection box next to it. Why is this there?

During the winter, the biggest expense for many families is heat and power. Electricity, oil, natural gas, propane and wood have all risen in price over the last several years. For those who are already experiencing financial hardships, this is yet another burden.

EVERY cent and EVERY dollar donated supports Swannanoa Valley Christian Ministry Fuel Fund as it helps people in need in our community. No gift is too small.

Voting

To vote for your favorite trees with cash or check, please place your donation in the box beside the tree(s).
